Registration for all sessions will start 7:00 a.m. **Building programs run 8:00 am to 4:00 pm, electrical programs run 7:45 am to 3:30 pm.** Credential abbreviations noted below are: CBI = Commercial Building Inspector, CEI = Commercial Electrical Inspector, UCI = UDC-Construction Inspector, UHI = UDC-HVAC Inspector, UEI = UDC-Electrical Inspector, DCQ = Dwelling Contractor Qualifier, ME = Master Electrician and JE = Journeyman Electrician.

____ **\$100.00 Wednesday, February 6-- Commercial Electrical** - This course will cover 2017 NEC code changes and a complete review of SPS 316. The course will also review the 2015 IECC lighting changes and how the 2015 IBC changes affect the electrical industry. A code panel will cover common commercial electrical code violations. 6 con ed credit hours for all electrical license categories (electrician and inspector) will be given, including Registered Electrician. The program includes two short breaks in the morning, one break in the afternoon and lunch at noon.

____ **\$100.00 Thursday, February 7-- 1 & 2 Family Electrical Code** - This course will cover 2017 NEC code changes and a complete review of SPS 316. A code panel will cover common residential electrical code violations. 6 con ed credit hours for all electrical license categories (electrician and inspector) will be given, including Registered Electrician. The program includes two short breaks in the morning, one break in the afternoon and lunch at noon.

____ **\$100.00 Wednesday, February 13-- Uniform Dwelling Code** - In addition to DSPS administrative updates, this course will cover the product approval process and separated building issues. Guest speakers Leroy Stublaski, Jim Blair and Mark Meiling will be covering many UDC topics including HUD homes, foundations, energy codes, wall bracing, complicated structural situations and HVAC issues. 6.5 con ed credit hours for UCI, UHI and DCQ. Lunch is included.

____ **\$100.00 Thursday, February 14-- Commercial Building Code** - In addition to DSPS administrative updates, Randy Dahmen will be covering 2015 IBC code changes. Guest speakers John Vernon from Life Safety Systems and Matt Hadzell, Senior Fire Protection Specialist will be covering firestopping issues. 6 con ed credit hours for CBI and DCQ. Lunch is included.

_____ Total amount for all Programs (mark X for programs wanted)
