Wisconsin Winter Code Updates

Wisconsin's regional inspector associations are offering virtual and in-person training sessions in early 2026 based on Wisconsin's Electrical Code, Uniform Dwelling Code, Plumbing Code and Commercial Building Code. These courses can provide continuing education credits for Industry Services administered Inspector and Dwelling Contractor Qualifier (DCQ) credentials. Fire Inspectors, designers, contractors, and others with an interest in Wisconsin's codes may also benefit from the programs.

Eau Claire Training Dates

Electrical

Commercial - February 2
1&2 Family - February 3

Building & HVAC

Commercial - February 4
1&2 Family - February 5

Plumbing

February 6

*For other locations and dates visit www.NWBIA.org
and see 2026 Winter Code Updates*

Attendees will have several options across the state of Wisconsin to attend the training. Attendees can choose to attend the training virtually or in-person, meaning you can choose to attend live and in-person at the venue, or you can choose to attend virtually from the comfort of your own home or office.
